Letter from the *Principal*

To the Graduating Class of 2019:

Seniors, you've done it! After four years of perseverance, hard work, and hopefully some fun, you've achieved your goal and are now (or at least in a few days will be) a graduate of Mansfield High School.

Speaking for the entire staff, we could not be more proud of each and every one of you. You are well prepared to meet the world beyond East Street, and should feel confident in your education and preparation for the exciting opportunities that await you.

As you move on, please remember to give back to your community - be that in a new city or country, or right back here in Mansfield. Give freely and generously, however you are able.

I wish you the greatest success, and I hope that you will remain in touch. See you on stage at Xfinity!

With kindest regards,
Mary L. Watkins

Dedication

Ms. Perkins, Ms. Fierro, and Ms. Brophy,

Thank you for everything you have done for the Class of 2019. Your support and dedication to our Class has helped us in so many ways and we are so grateful for you. Thank you for helping us through the long nights planning prom, All Night Party, fundraisers, and all of our other events. We are SO grateful for you and everything you have done for us and taught us. Thank you for everything, we couldn't have done this without you.

We love you!!!

Congratulations Tyler!!

The past 12 years have flown by. We are so proud of the great young man you have become.
Your PROcrastination strategy has worked for you!!
Here are some famous quotes to support you in your pursuit of delay.
"Never put off till tomorrow what may be done day after tomorrow just as well."
Mark Twain
"You may delay, but time will not, and lost time is never found again."
Benjamin Franklin
Someday is not a day of the week.
Believe in yourself, work hard, do your best and TRY NOT to wait until the last minute to get it all done.
Never change who you are.

Love, Mom, Dad and Nick

Congratulations Connor and the Class of 2019!

To the little boy who declared at the age of 5 that "when I'm president there will be just one rule: no more war"...

May you always have confidence in what you can achieve. May you never lose your conviction to do what is right and challenge what is wrong. May you always have your voice and use it to speak truth and to amplify the voices of those who aren't as strong or as loud or as sure of what needs to be said.

May you never waiver in your quest to know and learn and do more. May you find the path to make your mark on this world (though we hope it's even better than being president). And may you always do it with your sense of humor and well-timed references to pop culture.

E, you make us proud each and every day and you are becoming the man Papa dreamed you would be.

We love you with all our hearts,
Mom, Dad, and Jordan

In Loving Memory of

Lauri Baptiste

Lauri B. (Pierce) Baptiste, the beloved wife of Raymond M. Baptiste and mother of Kali Baptiste.
Lauri was a 1975 graduate of Mansfield High School.

Lauri was a dedicated homemaker to her adoring family and had been employed as an administrative assistant at Mansfield High School for over thirty years. Lauri created many fond memories for the staff, students and families over the years and truly loved working at Mansfield High School.
Lauri was a lovely, caring, sweet, considerate, helpful, wonderful woman: a gentle soul,
a beautiful person inside and out.
She had such a quick wit and gentle humor.

Laurie was beloved by everyone at MHS and we will
treasure in our memories the years we shared with her.

In Loving Memory of

Eddy Robitaille

"You will be forever missed"

"You're a sunflower"

Born in Brockton on November 5, 2002, Eddy was the beloved and devoted son of Michael J. and JoAnn (Rego) Robitaille of Mansfield. Eddy was a lifelong resident of Mansfield and a member of the Class of 2012. Eddy loved spending time with his family and close network of many friends. Some of his favorite times included gaming and especially trips to the Quincy Quarries Reservation. He participated in Karate and when younger could often been seen riding his bike around town. Eddy will be forever missed by all who knew him.
